

# DISABILITY SERVICES

---

The Access and Disability Resource Center (ADRC) provides support and academic accommodations for students with documented disabilities. Students with documented disabilities who wish to request disability-related accommodations should contact the ADRC at least four weeks prior to the need for the accommodations. Accommodations must be requested for each semester in which the student needs services.

For more information, call 847.635.1489 or visit [www.oakton.edu/student-services/disability\\_services](http://www.oakton.edu/student-services/disability_services).
