

ENGLISH PRE-MAJOR

Department Chair: **Donovan Braud, 847.376.7026, dbraud@oakton.edu**

The following Pre-major is recommended for students who are considering completing a Bachelor's degree in English after transferring to a four-year institution. It is designed for students who have not decided upon a specific four-year college or university. Once a transfer school is selected, students are strongly encouraged to consult the Office of Advising, Transitions, and Student Success and the transfer institution's catalog to select courses that will meet both Oakton and transfer institution requirements.

The English Department recommends pairing English courses with courses that have similar content based on student's interests. For example, students interested in Women and Gender Studies, may take Women and Creativity. Students interested in Ecological Literature, may take Introduction to Environmental Science.

Students may consider an option of taking a modern language course in semesters 3 and 4. Study of language is required by some 4-year institutions and students can consult those institutions to find out whether an Oakton language course will meet that requirement. Please be aware that only Intermediate II (202) language courses meet General Education Humanities and Global Studies requirements.

For more information on course selection or program-specific advising, contact the department chair. Part time students should also consult the Office of Advising, Transitions, and Student Success for part-time Pre-major recommendations. **General Education courses should be selected from the list of IAI General Education Courses.**
