Oakton offers an Associate in Science (A.S.) degree for students intending to transfer into baccalaureate programs in fields such as engineering, mathematics or the sciences. Oakton's A.S. degree is offered with emphasis for either Mathematics/Computer Science or Science majors.

Students who have decided on their baccalaureate major should select a suitable pre-major from the list of available pre-majors for Associate in Science degree. **General education courses should be selected from the list of IAI General Education Courses.**

Associate in Science Degree

60-62 Semester Credit Hours; Curriculum: 0650 for Science or Mathematics

Code	Title	Hours
General Education Requirements:		
<i>Area A - Communications</i>		
EGL 101	Composition I	3
EGL 102	Composition II	3
SPE 103	Effective Speech	3
<i>Area B - Mathematics</i>		
MAT 250	Calculus I	5
Select one of the following:		4
MAT 131	Elementary Statistics	
MAT 251	Calculus II	
MAT 252	Calculus III	
<i>Area C - Science</i>		
Three science courses: at least one from the Life Sciences and at least one from the Physical Sciences; at least one of these courses must be a lab course		10-12
<i>Area D - Social and Behavioral Sciences</i>		
Two courses from two different social or behavioral science disciplines		6
<i>Area E - Humanities/Fine Arts</i>		
Two courses from the Humanities/Fine Arts; one course must be from Humanities and one course must be from Fine Arts		6
<i>Area F - Global Studies</i> ¹		
One course that satisfies Global Studies requirement		0-3
<i>Area G - U.S. Diversity Studies</i> ²		
One course that satisfies U.S. Diversity Studies requirement		0-3
Total Hours		40-42

¹ Course fulfills the Global Studies requirement. At least one Global Studies course is required for degree completion.

² Course fulfills the U.S. Diversity Studies requirement. At least one U.S. Diversity Studies course is required for degree completion.
