

BACCALAUREATE TRANSFER PROGRAMS AND PRE-MAJORS

(Also see Illinois Articulation Initiative)

Baccalaureate Transfer Programs are intended for students planning to transfer to a four year college or university. **To assist students pursuing various majors at the baccalaureate level, Oakton developed the recommended sequences of courses, or Pre-majors.** Students who are planning to major in fields for which Pre-majors are not provided at this time, should consult the department chair or program coordinator and/or the Office of Advising, Transition, and Student Success for assistance with course selection.
