IAI General Education: S7 902

Instruction Type: In-Person | Online

Term Typically Offered: Fall

SOC 210 3 credit hours (lecture: 3 | lab: 0)

Death and Dying

Course explores the social and cultural aspects of death, dying and bereavement. Using key theoretical perspectives, historical and cross cultural comparisons, and major studies in the field of human mortality, it explores rituals, social taboos, and other cultural practices relating to the social organization of death and dying. Content also includes how death and dying relates to such topics as crime, social control, stratification, global inequality, gender inequality, ethnicity and race, aging, media, political power, and work/economic life.

Instruction Type: In-Person | Online

SOC 220

3 credit hours (lecture: 3 | lab: 0)

Deviant Behavior

Course uses a variety of sociological perspectives to study behaviors commonly labeled deviant because they fall outside societal norms. Course examines the identification as deviant of individuals and of particular segments of society, by formal and informal means; the effects of institutionalization and social control upon the deviant; and the efforts of deviants to eradicate the label society has placed upon them. Content includes process of defining deviance; different forms of deviance such as criminal deviance to mental illness; social causes of deviance; social responses to deviance from stigmatization; systems of social control; reintegration of deviants into society.

Recommended: SOC 101 or SOC 103.

Instruction Type: In-Person | Online

Term Typically Offered: Spring

SOC 230

3 credit hours (lecture: 3 | lab: 0)

Sociology of Sex and Gender

Course introduces sociological perspectives on sex and gender as a factor in social stratification, gender role construction and acquisition, and the consequences of changing social definitions of gender roles across time and place. Content includes analyses of cross-cultural gender construction; gender socialization and inequality in education, the family, the workplace, and the mass media; and the impact of gender systems on life chances and outcomes, including intimacies and violence.

Recommended: SOC 101 or SOC 104.

IAI General Education: S7 904D

Instruction Type: In-Person | Online

Term Typically Offered: Fall | Spring | Summer

SOC 232

3 credit hours (lecture: 3 | lab: 0)
